**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

This is not the way to go. Net Neutrality favors entrepreneurs, not giant ispers like Comcast, etc. It's against the American way that encourages innovation and competition. This does not and it favors the big, though not the best! Please take this seriously! I have used Sonic for many years and the level of service which includes technical expertise and courtesy is rare. I've used other ISP and I find them competitively priced and responsive whenever I need help.

Thank you!
